

## Purpose Field 7v7 FAQ

### Who we are:

- Faith-based organization abiding by spiritual principles in our communication, play, and behavior. We do not use obscenities or demeaning language. We also do not engage in fighting or unsportsmanlike activities.
- We do not prioritize winning. We prioritize development and life-building which allows winning to be a byproduct of such investments.
- We do not recruit or seek out the best players who are committed to other clubs. We lead with integrity and wish to work with mentees who wish to work with us, despite their accolades, offers, or stars.
- We encourage a family atmosphere which includes team bonding activities off the field and community outreach events.
- We uphold a high academic standard for our mentees. Our players are required to have a 3.0 GPA. We also are blessed to have Meredith Pulliam (educator/former D1 basketball athlete) as our academic advisor to provide guidance and tutoring help.
- We are transparent in all financial dealings and make sure to inform our families of all costs and expenditures.
- All of our players play based on their own merit. There is no “daddy ball” or favoritism. Those who show up to practice (on time), are efficient listeners, and execute their assignments consistently will have the best opportunities for playing time.
- We have a great group of parents who are respectful towards our staff, game officials, other teams, and the game itself.

How much is the cost?

Uniforms/registration will cost each player \$100 and if they need a soft-shell helmet they can purchase one for \$40. Tournament fees range from \$40-60 per player depending on how many players we have attending a specific tournament. Practices are at no-cost.

How many tournaments are there?

We will play in a minimum of 1-2 tournaments per month from late January through early May. Games take place on Sundays for high school teams and last from early morning until late afternoon. Some tournaments are two-day events and start on Saturday and end Sunday, but most are single day.

What grades can play?

We currently have only a high school team. Incoming freshmen through incoming seniors are eligible to play. 7v7 is for skill positions only.

When and where is practice?

We practice Sunday at 1:00 pm - 3:30 pm at Alta Sierra in Clovis, CA. If we have an upcoming tournament on a weekend we usually do a Wednesday night walk-through in the late evening.

What happens if I have another sport, vacation, etc. and cannot attend a tournament or practice?

Communication is priority in Purpose Field. Simply reach out to Coach Paige well in advance and notify him of your events.
